

Enter the property where the red arrow is pointing. Parking is available along a one-way parking lot. The blue arrow denotes an accessible entrance with easy access to the elevator.

We are meeting in room 2107 (denoted by the star) which is on the second floor. Depending on which entrance you enter, all stairwells and the elevator lead to the second floor. The room is set up classroom style with social distancing measures. It is equipped with projector/screens. Restrooms are directly across the hall.
